

ICI Plc, Northgate House, Slough

Project Description

- Strip out
- Renovation of some existing Mechanical systems
 - Installation of new M&E
 - New ceilings throughout
 - Glazed partitions
 - Bespoke Joinery
 - Kitchen
 - Carpets
 - External repair work
 - Comms Room

The programme was absolutely critical for ICI on this project and a new Dulux paint system was trialled. We are in negotiations to deliver further projects for ICI off the back of successfully delivering this one.

Duration 9 weeks

Value £650,000
