

Criterion Capital Ltd, East India Dock, London

Project Description

- Strip out
- Mosaic tiles to toilets
- New stone floors
- New walnut veneered toilet cubicles
- Marble vanity tops with Hi Spec sanitary fittings
- New toilets/urinals & disabled toilets
- Modifications to mechanical services
- Upgrade to lighting & power
- Upgrades of lift lobby flooring with bespoke floor tiles
- New wall & skirting details

High quality toilet & lift lobby refurbishment in a multi tenanted building one of which was the HSE. The project encountered a high level of alterations from the initial concept as the client experimented with different finishes in order to use as a model for future buildings within the surrounding area. Works still completed within overall program.

Duration 8 weeks

Value £389,000
