

Land Securities, Shoe Lane, London EC4

Project Description

- CAT A office space fit out
- Strip out of existing partitions, doors and suspended ceilings
- Perimeter trunking and floor boxes
 - SAS suspended ceiling
- Replacement ventilation grills in the bulkhead and wall mounted units
- Refurbishment of the sealed window units
- Part re-screeding of floor
 - New Carpets
- Decoration throughout

This was our fourth project in the multi tenanted IPC Tower. As always when working in this building liaison with the Land Securities building management team was paramount especially when co-ordinating deliveries to the 15th floor through a shared lift lobby. The project was delivered on time and budget.

Duration 6 weeks

Value £155k
