

LaSalle Investment Management, Railway Street, London N1

Project Description

- Soft Strip Out
- New plasterboard ceilings
- New M&E Services throughout
- Bespoke lighting throughout
- Access flooring
- Toilets including Disabled
- New external brickwork to match existing
- New external windows and doors
- External up-lighters

This was our first project for DE&J Levy and has resulted in another one of a similar size and nature on Oxford Street being completed too. The site was occupied above by residential tenants and in close proximity to other businesses so we had to be extremely careful to co-ordinate the works with minimum disruption.

Duration 8 weeks

Value £151k
