

Hunters, Hammersmith, W6

Project Description

- Adaption of existing M&E
- Bespoke lighting & power installation
 - Glazed and solid partitions
 - Feature glass walls
 - Plasterboard ceilings & bulkheads
 - Wall Graphics and manifestation
 - Rubber & stone floor finishes
 - Carpets
 - Bespoke storage & kitchens
 - Decorations throughout

The project was undertaken whilst Hunters occupied the floor above with a phased completion so their MM Architects division could occupy the space earlier than the rest of the team. A close working relationship was required with Hunters to achieve the level of detailing required whilst working within the budget.
