 - Vinyl wall covering to feature walls
- New ceramic floor finishes and carpets
 - New ceiling tiles
 - Minor electrical modifications
 - Feature lighting
 - Soft joinery bench seating
 - New refreshment areas
- New shower changing facilities
 - Redecoration

Our second project for private healthcare provider BUPA was to refurbish the first and ground floor of their Wellness Centre in Grays Inn Road to include reception area, consultant rooms and common parts. This project was carried out over 4 phases in a fully occupied building and it was critical to BUPA that their visitors where not adversely affected by our works.

Duration 10 weeks

Value £300k
