

Hertz Europe, Uxbridge, Middlesex

Project Description

- High specification, 5 screen Telepresence Room
- Open plan office space and cellular meeting rooms
 - 'Town Hall' meeting space
 - Modification of existing M&E services
- Adaptation of existing power requirements
 - Redecoration
 - Decorations
 - Lighting
- Solid & glazed partitions

This is our second project for international car hire company Hertz and involved fitting out 3 floors of their Head Office in order to consolidate existing space. A specialist Telepresence Room was created on one floor to link the Head Office to other Hertz locations in major cities around the world allowing remote meetings to be conducted in real time.

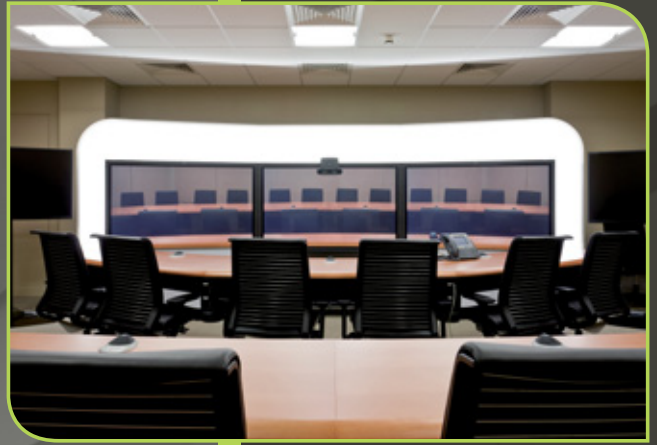

Duration 6 weeks

Value £200k
